### **Q: What are some cases covered in Family Law**

A: Family law can include dissolution of marriage, legal separation, declaration of invalidity of marriage, child custody, child visitation, child support, paternity, orders of protection, or children's rights issues.

### **Q: My case is being referred to Mediation...What's next?**

A: Mediation is a way for people to improve communication and create solutions with the help of a mediator. Although not always the case, both mediation and peer mediation can be effective tools inside and outside the court system.
